

New South Wales Police

P.190

v2.6

STATEMENT in the matter of:
Death of Scott MILLER

Place: The Rocks
Police Station
Date : 6 October 1997

Name: Stephen John WILLIAMS

Address: [REDACTED]

Tel. No.: [REDACTED]

Occupation: Security Officer

STATES:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything which I know to be false or do not believe to be true.

2. I am 48 years of age.

3. I work at Patrick The Australian Stevedore at Hickson Rd Darling Harbour as a security officer. I have worked as a security officer on the water front for 19 and half years.

4. On 2nd March, 1997 I started my shift at gate 5 between 5.30am and 5.45am with Warren WHITE. We relieved John SRAUBE and Lance NEILSON. It was daybreak when we started and the morning was quiet with only the wharfies coming in to start the shift. Even Hickson Road was quiet for the day.

5. Warren and I took turns in patrolling the wharf area. I usually use my own vehicle if the bus isn't available. From my memory the day was very quiet I made my routine patrols around the whole wharf area between wharfs 3 and 8. I did not see anything out of the ordinary or any persons acting suspicious. There was a ship docked on wharf 8.

STATEMENT (continued) in the matter of: Death of Scott MILLER
Name: Stephen John WILLIAMS

6. During my patrols on the day and night I drove past the 'graveyard' which is used to store old heavy machinery several times as part of my patrol. I did not see anyone in the yard at all although I don't go into the yard as there is normally no need to.

7. Warren and I continued to take turns at patrolling and working at the check point throughout the day and night until we were relieved at 9.30pm that night by Archie PRICE and Colin PLANT who were on the midnight shift.

8. Throughout the whole 16 hour shift either Warren or I are in the check point at all times. We have all the keys to the gates and the check point is self contained. It is very unlikely that anyone could get past us without us knowing.
