Dear Mr Camporeale

Special Commission of Inquiry into LGBTIQ hate crimes (Inquiry): Scott Miller

We refer to:

- a) your letter dated 24 May 2023 (**Letter of Request**) in which you requested:
 - 1) information in respect of the “case screening form” completed in relation to the death of Mr Scott Miller; and
 - 2) a statement from an appropriate officer within the NSW Police Force (**NSWPF**) in respect of debris found in Mr Miller’s right hand;
- b) our letter to you dated 1 June 2023 responding to point 1 above and seeking an extension to respond to point 2.

Request for Statement

Please find **enclosed** a statement from Inspector Andrew Brady. The documents referred to therein will be produced via the iCourts portal shortly with production facilitated by Corrs Chambers Westgarth on the Commissioner of NSW Police’s (**Commissioner**) behalf.

These documents will be produced under the cover of summons No. NSWPF1.

Non-publication Claims

The Commissioner does not make any non-publication claims except for those in respect of personal information which have been routinely accepted by the Inquiry (such as signatures, police identification numbers and addresses). In those circumstances, the Commissioner has not sought to produce a non-publication claims table in strict adherence to Practice Guideline 2 nor provide marked-up documents to the Inquiry. However, if those steps are necessary, please let us know and we will provide the relevant material to the Inquiry as soon as possible.

Additional Documents

In the course of preparing this statement the Commissioner identified a further archive box of material in respect of the death of Mr Miller. We are currently reviewing this material for responsiveness and will advise the Inquiry as soon as possible whether this material is responsive to a summons issued by the Inquiry.
