Dear Mr Camporeale

We refer to:

- summons No. NSWPF152, issued to the Commissioner of NSW Police (**Commissioner**) on 17 July 2023 (**Summons**), with a return date of 25 July 2023;
- your letter of 17 July 2023 enclosing the Summons (**Letter**); and
- summons No. NSWPF1 issued to the Commissioner on 18 May 2022.

A copy of the Summons and Letter are **enclosed**.

Production of Documents

In response to the Summons, the Commissioner is to produce 2 documents in response to the Summons. We are unable to confirm at this time whether the documents have already been produced to the Inquiry in response to summons NSWPF1. A copy of an index listing the document being produced is also **enclosed** with this letter. The document will be produced electronically, with production being facilitated on the Commissioner's behalf by Corrs Chambers Westgarth.

We are instructed that NSWPF have conducted searches and no records have been identified which record the outcome of the further testing that was undertaken in relation to the specimens and exhibits taken post-mortem in the matter of Mr Scott Miller in 2010. We are further instructed that NSWPF has not conducted any further review or triage in the matter of Mr Miller since April 2004.

Confidentiality

We refer to the Letter enclosing the Summons dated 17 July 2023. In particular, we refer to the Inquiry's commitment that it will provide the Commissioner two clear business days to make any non publication claims over the documents the Inquiry intends to tender.

As such, the documents are being provided on a confidential basis subject to that commitment from the Inquiry.

Yours sincerely
