RE: Alleged Murder of James William MEEK

I, Christine Leanne GILL,
hereby certify as follows:

- (1) My scientific qualifications are Bachelor of Applied Science of the University of Canberra.
- (2) The following items in connection with this matter were received on the fourteenth day of March, 1995, from Police Courier Geoff ALLEN of the Sydney Crime Scene Unit.
 1. Blood - MEEK.
 2. Fingernail scrapings - L. hand.
 3. Fingernail scrapings - R. hand.
 4. Oral swab and smear.
 5. Rectal swab and smear.
 6. Swab collected from the kitchen floor.
- (3) These items have been examined with the following results:

Human blood was detected on the swab (item 6). The swab has been retained for further analysis if required.

A preliminary or 'screening' test for blood was positive on the nail clippings (items 2 and 3) and also on the oral swab (item 4). The nail clippings have been retained for further analysis if required.

Semen was not detected on the oral or rectal swabs and smears (items 4 and 5 respectively).

Biologist's Signature: Christine GillDate: 28/3/95
