v2.6STATEMENT in the matter of:
Death of James William MEEKPlace: Surry Hills
Police Station
Date : 19 September 1995

Name: Robert Ernest GARRATT

Address: [REDACTED]

Tel. No.: [REDACTED]

Occupation: [REDACTED]

STATES:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything which I know to be false or do not believe to be true.

2. I am 48 years of age.

3. In addition to previous statements I have made on the 11 March, 1995 and the 5 April, 1995 regarding this matter, the movie 'K9', I made mention of, I now recall that movie being about a man either being left on a mountain, dying on a mountain or being rescued on a mountain. I believe the title was not 'K9', but in fact 'K2'.

4. About 5.15pm on Tuesday the 19 September, 1995 a video cassette tape marked 'T.F.Fireweed' was shown to me by Detectives TANOS and WALKER. That video showed the photographs of a number of male persons. After viewing that video I am able to say that the person shown in photograph number 5 is similar to the person I saw with Jim MEEK at his unit on the Monday night I watched the movie 'K2', at Jim's unit. After seeing the person in photograph number 5 again, I also have a feeling seeing him around [REDACTED] block of the units hanging around with a

resident of the units by the name of Rick. I have initialled and dated the spine of that video cassette tape with the date of 19/9/95.

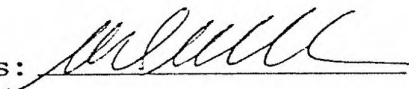

I IDENTIFY PHOTOGRAPH NUMBER 5 AND THAT VIDEO CASSETTE TAPE MARKED 'T.F FIREWEED'.

5. Detectives TANOS and WALKER also showed me a mens dress ring I would describe as being a gold mens ring set with a stone that looks like petrified wood. That ring is similar to a ring that I have seen Jim wearing. He bought it from 'Cash Converters'.

I IDENTIFY THAT GOLD MENS RING.

6. In addition to this ring, Jim wore another gold ring similar to a wedding band. He also had two watches, one a gold watch that he said belonged to his father, it had been engraved on the back and had like an expandable gold watch band. I don't recall what the other one was like other than being a metal watch and band, an old fashion styling.
