New South Wales Police

STATEMENT in matter of:  
Kenneth BRENNAN.

Place: Kings Cross Detectives.  
Date: 29 June, 1995.

Name: NP214Tel No.: [REDACTED]Address: [REDACTED] Fullerton Street, Woollahra.

Occupation: Book Keeper.

States:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. My age is 63 years.

3. On Monday the 26 June, 1995 I went with NP215 to his former flat at [REDACTED] Onslow Avenue, Elizabeth Bay. The purpose was to assist NP215 pack up his personal contents following the death of Kenneth BRENNAN.

4. We arrived at the unit about 1.30pm and started to pack up NP215's belongings. Sometime in the afternoon whilst at the premises NP215 said to me, "Look what I've found." I don't remember which part of the unit I was in but NP215 was in the kitchen area. I walked to the lounge area and I saw NP215 holding an object in his hand. He then said words to the effect of, "This does not belong here."

5. NP215 then said, "Now I've touched it, I wonder if I should call Brad." By this he was referring to Detective Brad TAYLER from Kings Cross Detectives. NP215 then placed the object on the top cushion area of the lounge chair. I saw that the object was a cover made from cardboard and plastic from when you buy a knife from a store. It was about thirteen inches by two and a half inches.

6. NP215 then said he was going to call Brad at the Detectives office. About half an hour later Police came and took possession of the packaging. (MOSS/ROSS)

7. I cannot recall if NP215 said where he found the packaging. I recall he told the police where he had located this, but I cannot be specific as to this location.

8. Prior to NP215 locating this packaging I had been in the kitchen area. Whilst there I was cleaning the toaster and the coffee maker which was on the bench on the right hand side as you enter. I do not recall seeing this packaging in the kitchen area.

9. After the Police left we continued packing. I think later that day I282 came to the house with some cartons to help us pack. I think we stayed at the flat till about 6pm.

10. This is the first occasion I have been into Ken and NP215's flat. Since this date NP215 has been living at my place. I have sold the unit and I am due to move out on Wednesday the 5 July, 1995. I will then be living at [REDACTED] Newport Beach. (Phone [REDACTED]) I believe that NP215 will then move in with a friend I271 from Little Bay. This is where I believe NP215 has stored his and Kens belongings.

11. I have heard on the grapevine through a friend named John, who lives at Randwick, that a friend of his named I297 who attends Kingsteam regularly, saw Ken at Kingsteam on Sunday the 11 June, 1995. I do not know any other details regarding these people. I think this person I297 works in some sort of legal office.
