

New South Wales Police

P.190

v2.5

STATEMENT in the matter of:
Murder of Kenneth BRENNAN

Place: Rockdale
Police Station
Date : 19 June 1995

Name: 1275
Address: [REDACTED], Sutherland Tel. No.: [REDACTED]
Occupation: Office Manager STATES:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything which I know to be false or do not believe to be true.

2. I am 59 years of age.

3. I am the sister of NP214 who resides at [REDACTED] Fullerton Street, Woollahra. His phone number is [REDACTED]. I do not have any other brothers or sisters.

4. I have very close relationship with my brother and we see each other on a regular basis and we speak on the phone at least twice a week. We share similar interests and have travelled extensively together throughout the world.

5. On Sunday the 11th of June, 1995, at about 1.30pm I rang my brother NP214 from my house to his house, to just say hello and discuss plans about his birthday. I remember it was around 1.30pm because I was dressed ready to leave to pick up my mother at Miranda at 2pm. I can never be late to pick her up because she will wait outside in the cold for me.

STATEMENT (continued) in the matter of: Murder of Kenneth BRENNAN

Name: 1275

6. NP214 birthday was coming up on the 17th of June and I wanted to discuss when I was going to see him for that day. We talked about going to the movies on Tuesday the 13th of June. We were going to see the movie 'Priest'. We were going to see the movie on that day because the admission price is halved. We spoke for around ten minutes just about general things.

7. During the conversation I could not hear any person in the background with him. I also have no knowledge of anybody being with him as I was speaking with him, however NP214 would not have told me if there was any person with him because NP214 is a very private person.

8. I didn't speak to NP214 again that day. NP214 called me on the following Tuesday morning to see what I was doing. At that stage I wasn't coming in to see the movie because I wasn't in the mood to go into the city. I decided that I would bring our mother into see him on the Saturday, which was his birthday.
