**STATES:**

My full name is **I291** and I am currently residing at **[REDACTED]**, Newtown. I am a self employed roofing contractor and the owner of **[REDACTED]**.

I am aware of a male person by the name of **NP203** **NP203** is about 20 years of age and I first met him when he approached me for employment via the CES.

**NP203** was successful at the interview and commenced as a casual labourer in or about October/November 1994. **NP203** commenced as a casual labourer and later on in January, 1995 I organised **NP203** to commence an apprenticeship with me.

As part of his apprenticeship as a roofing tiler, **NP203** was required to attend apprenticeship school. This school was at the Homesglen College of TAFE which is in the greater Melbourne area.

To my understanding I am sure that **NP203** attended at least one block of learning period at Homesglen. While **NP203** was at the Homesglen College of TAFE I understand that he got into some form of trouble with the staff and as result of this trouble I have found out that **NP203**, himself, chose to leave the Homesglen College and leave my employment.

My company records indicate that **NP203** left the Homesglen College of TAFE on Monday the 17th of July, 1995, and since that date I have not seen him. I have however spoken to **NP203** since that time and this was via a telephone conversation with him. At that time he was in Sydney and we had a conversation around general working arrangements. During that conversation **NP203** told me that he was concerned about the incident he had at the Homesglen College of TAFE. I told him that the incident was at that time taken care of and that he could return to Geelong to resume employment with me.

During the long week end commencing Saturday the 10th of June, 1995 till Monday the 12th of June, 1995 I can say that none of my employee's were working during that time. I can say that **NP203** was not working for me over that long week end. I am however certain that **NP203** would have been working for me on Tuesday the 13th day of June, 1995. **NP203** then worked continually with me until he went to the Homesglen College of TAFE on July 17th, 1995.
