The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. My age is 28 years.

3. In June 1995 I was living at unit [REDACTED], Centennial Park. I was living with NP182 and we had been living there for about 8 to 10 months.

afternoon and then overnight at the party. There were about 15 to 20 people at the party. We went to a small restaurant that evening with our friends but we stayed in the Pearl Beach area all night.

7. The next morning on Monday the 12th of June 1995 NP182, Lee and I went down to the beach. We stayed down there for a few hours. Around Five O'clock in the afternoon we left Pearl Beach and came back to Sydney.

8. I can remember this weekend because I spoke with my girlfriend Lee [redacted] and she checked her diary for the day. Otherwise it is pretty hard to remember, but once she checked her diary and it jogged my memory.

9. I have known NP182 for about 15 years and he has been my best friend during that time. I can definitely say that NP182 is not homosexual and has no involvement with the gay community.
