New South Wales Police

STATEMENT in matter of:  
Murder of Kenneth BRENNAN

Place: Kings Cross Detectives  
Office.

Date: 5th July, 1995

Name: NP185

Tel No.: [REDACTED]

Address: [REDACTED] North Sydney.

Occupation: Salesperson.

States:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. My age is 48.

3. I am a self employed sales person with [REDACTED] and I have been doing this for about five years. I am also a masseur and this is my main source of income. I have been massaging for around three years. I have a varied clientele which includes business people, couples and guys. I live alone at my unit in North Sydney. I don't go out very often in Sydney and I don't drink, I would say I lead a fairly healthy lifestyle.

4. I read the weekly magazine called Capital 'Q' and the 'Star'. In about the middle of May I was reading one of these magazines, I can't remember which one, and I saw Ken and NP215 mens personal add. The add read like, "Two active guys wishing to meet a third person.", I can't remember what it exactly said, but it was like that. The add had a 0055 phone number where you could leave a message to them. This is common for adds placed in these magazines.

5. About a weeks before the 20th of May, 1995, I contacted the 0055 phone number which related to Ken and NP215 add and left a message for them to contact me. I said on the message, "Hi its NP185, could you ring me on [REDACTED], regarding your add."

6. A few days later a male named Ken contacted me by phone at home. He said, "Its Ken here, you answered my add, would you like to come over and meet us?"

I said, "Fine."

He said, "What do you do for a living?"

I said, "I do massages and I'm a sales man for [REDACTED]"

He said, "I'm a teacher."

We general discussion which I can't fully remember.

During the conversation we made the arrangements to meet at Kens unit on Saturday the 20th of May. Ken gave me his address and his phone number. I can't remember what the address was but it was in Onslow Street. He gave me directions to get there and I immediately knew where he was talking about because I had delivered [REDACTED] flyers in that area.

7. On Saturday the 20th of May, 1995, at 7pm I arrived at Kens unit. When I arrived I couldn't read the unit number on the security system because of my poor eyesight close distance. I telephoned Ken on my mobile phone and he buzzed me in. I met Ken and his partner, NP215 at the doorway of there unit. I introduced myself to them and they invited me into the unit.

8. The unit was a one bedroom furnished unit. It wasn't flashy decorated but it was comfortable. We sat down and we had a drink and talked. After about 20 minutes of talking we retired to the bedroom and engaged in sexual activity. About an hour later I left the unit and went home. I enjoyed there company on that night and we all had a good time. At the time I left the unit we had made no further definite arrangements to see each other.

9. In the early evening of Friday the 26th of May, 1995, I contacted Ken at his unit. I said to him, "Hi its **NP185**, how are you keeping, are you both free this evening?"

Ken said, "We have a monopoly game on early but we expect to be home by 10.30pm to 11pm."

I said, "That's fine."

We then made arrangements to meet later that night at 11pm.

10. At 11pm on Friday the 26th of May, 1995, I arrived at Kens unit block. I had my glasses with me on this occasion and I buzzed up but got no answer. I used my mobile to ring Kens unit. I got through to Kens answering machine so I knew that they still must have been out. I waited outside the block for probably about ten to fifteen minutes until they arrived.

11. We all went up to the unit and had a drink and a talk. Later we retired to the bedroom and started to engage in sexual activities. This time it was mainly **NP215** and I who got involved and Ken didn't participate much at all. He appeared to be in a good mood but didn't join in. The total time of my stay at the unit on this occasion would have been around one hour. I left the unit after saying goodnight to Ken and **NP215** and no arrangements were made to meet again.

12. On Friday the 2nd of June, 1995 at about 6.30pm I rand Ken at his unit. I said to him, "G'day it's **NP185** here, would you like to get together?"

He said, "**NP215** is out but I expect him back soon, but I don't know what time. If he gets back early enough I'll give you a call."

I said, "O.K. fine."

I didn't hear from Ken or **NP215** again and have not heard from them since.

13. At 10.30pm on the Tuesday or the Wednesday after the June

long weekend, I can't remember which one it was, but two Detectives from Kings Cross came to my flat and spoke to me about Ken and NP215 and my association with them. They explained to me what had happened to Ken over the long weekend. I had a conversation with them and told them about our meetings.

14. At the time the Detectives spoke to me I couldn't remember the exact times or dates I had met with Ken. But the following day I found my mobile phone bill which had the details of the dates and times I called Ken at his unit. I phoned Detective LOONE and gave him the details I had found.

15. I would describe Ken as being a male person aged in his late forties, stocky build, about 5'7" tall, short brown grey hair, moustache and was of an caucasian appearance.

16. I would describe NP215 as being a male person aged in his mid thirties, ██████ build, about ██████ tall, ██████ hair, clean shaven and ██████ appearance.

17. I do not know how Ken was murdered and do not know of any person who would want to kill Ken. On each of the times I had contact with him he was genuine, kind and loving person.
