I perused the personal columns in this newspaper and found an advertisement which was something like, 'Two guys interested in finding another guy, for fun times', a code number was attached to this advertisement.

5. From my home I telephoned the 0055 number in response to the advertisement and quoted the code number for this particular advertisement. I was then connected to a voice mailbox and I left a message similar to, 'My name is NP184, if you want to call me, ring me on [REDACTED] or [REDACTED]'.

back after they had been away to possibly get together again. I then left the unit and met up with another friend in the Kings Cross Area. I left by train from Kings Cross about 4.00pm and travelled back to Lawson.

10. I never telephoned Ken or **NP215** at there unit after this visit. I did not like the idea of a threesome.

11. On the Monday after seeing Ken and **NP215** I received a message from a workmate that a person by the name of **NP215** was on the telephone and wanted to speak to me. I told this workmate that I did not wish to speak to him. I beleive the call was then terminated.

12. I would describe Ken as being in his early 40's, brown hair, wore glasses, chubby build, Australian, abut 5'8" tall. I would describe **NP215** as being in his early 30's, black straight hair, wore glasses, skinny build, Australian, and a bit taller than Ken about 5'11" tall.

13. On Saturday the 10th and Sunday the 11th of June, 1995, I spent with my friend Jeff ROGERS at his home in Kogarah. About mid-day on Monday, 12 June, 1995, I travelled back to my home at Lawson.
