**STATES:**

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable for prosecution if I have wilfully stated in it anything, which I know to be false or do not believe to be true.
2. I am 33 years of age.
3. I have been employed by the New South Wales Police Force as a Crime Scene Officer (CSO) since November 2002, during which time I have examined approximately 2700 crime scenes. I am currently attached to the Specialist Location & Recovery Unit, Pemulwuy, where my duties include the examination of crime scenes and related items for the detection, recording and collection of fingerprint, DNA and other physical evidence.

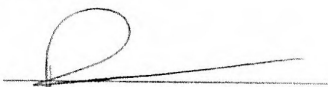

I also hold the following relevant qualifications:

- Bachelor of Applied Science (Forensic Investigation) from the Canberra Institute of Technology.
- Diploma of Applied Science (Biological Techniques) from Ultimo TAFE.

4. **Forensic Case Number 1515326**

Between the 29<sup>th</sup> September and the 12<sup>th</sup> October 2009 at the Specialist Location & Recovery laboratory, I examined the following Maroubra Police Station exhibits for marks and other forensic evidence using a series of optical, physical and chemical techniques.

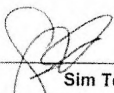

**Maroubra Item 7 of D763175 – a Nokia 2760 mobile phone**

The phone was partially coated with blood-like stains. On the 29<sup>th</sup> September 2009, I assisted Mr Greg BANKS of the State Electronic Evidence Branch extract the data from the phone. During my examination of the phone I recovered the following evidence:

- **VMD1** – one area of friction ridge detail developed on the back of the phone, under the battery cover.
- **SLR1** – one apparent hair from the mobile phone.
- **SLR4** – a swab of a red stain on the back of the phone cover.
- **SLR5** – a swab of a red stain on the inside edge of the mobile.
- **SLR6** – a swab of a red stain on the inside edge of the back of the mobile phone.
- **SLR7** – wet and dry swabs of a smudge mark on the back of the phone cover.
- **SLR8** – a swab of a red stain on the left side of the back of the battery/phone cover.
- **SLR9** – wet and dry swabs of the on/off button on the mobile.

I packaged and sealed items SLR1 to SLR9 into separate bags.

**Maroubra Item 2 of D763175 - "rolly" cigarette butt**

This cigarette butt contained no filter and appeared to be half smoked. I removed a small section of the unburnt end of the butt, and packaged, sealed and labelled it as **Item SLR2**.

**Maroubra Item 3 of D763175 - a red cigarette lighter**

The name "TONY" was scratched into one side of this lighter. I collected wet and dry swabs from lighter, which I packaged, sealed and labelled as **Item SLR3**.

In Appendix A I now produce six photographs, which I have numbered 1 to 6 inclusive and annotated with a description.

**5. Forensic Case Number 1515328**

Between the 20<sup>th</sup> October and the 24<sup>th</sup> November 2009 at the Specialist Location & Recovery laboratory I examined the following exhibits for marks and other forensic evidence, using a series of optical, physical and chemical techniques.

**Maroubra Item 1/D794172 - a black handled knife**

This was a 23cm long kitchen knife, with a black plastic handle and a serrated edge on the 11.5cm blade. The knife handle appeared dirty. I collected a fibre from the knife which I packaged, sealed and labelled as **Item SLR2**.

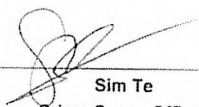

**Maroubra Item 4/D794172 - a black handled knife**

This was a 22cm long kitchen knife, with a curved black plastic handle and a logo similar to 'hm' on the blade. The blade was 11cm in length with a serrated edge, and the tip was bent. I collected pink and blue paint-like fragments from the knife blade and handle, which I packaged, sealed and labelled as **Item SLR1**.

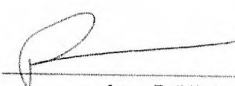

**Maroubra Item 2/D794179 - \$2200 in Australian banknotes**

This money comprised fifty-four \$5 notes, sixty-four \$10 notes, forty-two \$20 notes, and nine \$50 notes. I tested the notes for the possible presence of blood, and several of the notes returned a positive result, indicating that blood may be present. I then took swabs of these areas, which I packaged, sealed and labelled as follows;

- **SLR9** - a swab of a stain on a \$5 note, serial number CM 06 185003

Appendix B contains photographs with labels indicating where the stains were swabbed from each note.

Appendix E contains a complete list of the serial numbers of all the banknotes examined.

**Maroubra item 10 of D794168 - Apple iPhone mobile phone**

This was an 8GB Apple iPhone which was black in colour and slightly dirty. I collected wet and dry swabs from this phone, which I packaged, sealed and labelled as Item **SLR10**. I also developed one area of friction ridge detail which I labelled and photographed as **CF1**.

**Maroubra item 11 of D794168 - Nokia 1600 mobile phone**

I collected wet and dry swabs from the buttons of this phone, which I packaged, sealed and labelled as Item **SLR11**.

I also examined the following Maroubra Police Station exhibits but did not locate any forensic evidence during my examination;

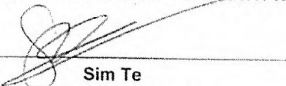

**Maroubra Item 2/D794172 – a black handled knife**

**Maroubra Item 3/D794172 – a long-bladed black handled bread knife**

**Maroubra Item 5/D794172 – a black handled knife**

**Maroubra Item 1 of 196/D794217 – a metal folding knife.**

**Maroubra Item 1 of 196/D794219 – a blue handled knife.**

**Maroubra Item 2 of 196/D794219 – a silver cutlery knife with flower pattern.**

**Maroubra Item 3 of 196/D794219 – a rusted butter knife.**

In Appendix B I now produce 27 photographs, which I have numbered 1 to 27 inclusive and annotated with a description.

**6. Forensic Case Number 1515329**

Between the 4<sup>th</sup> and 7<sup>th</sup> December 2009 at the Specialist Location & Recovery laboratory I examined the following Maroubra exhibit for marks and other forensic evidence, using a series of optical, physical and chemical techniques.

**Maroubra item 1 of D763175 - Leather card holder/wallet**

This was a black leather wallet that contained two driver's licences, a VISA card, an OH&S Certification card and a trained operator card, all in the name of Anthony Warren CAWSEY, in addition to a number of other cards, a receipt and \$3 in coins.

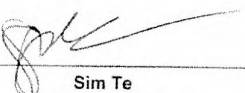

I collected wet and dry swabs from the card wallet and license, which I packaged, sealed and labelled as follows;

- **SLR12** – wet and dry swabs from the card wallet.
- **SLR13** – wet and dry swabs from the top of a gold Drivers License in the name of Anthony CAWSEY, in the front of the card wallet.

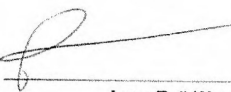

I developed one area of friction ridge detail on the back of a receipt for "The Pleasure Chest" from inside the wallet, which I labelled **N1** and photographed.

In Appendix C I now produce four photographs, which I have numbered 1 to 4 inclusive and annotated with a description.

7. Forensic Case Number 1564062

On the 2<sup>nd</sup> June 2010 at the Specialist Location & Recovery laboratory I examined Maroubra Exhibit **Item 1 of D763020**, a small resealable plastic bag, for marks and other forensic evidence, using a series of optical, physical and chemical techniques. I collected wet and dry swabs from the top end of the bag, which I packaged, sealed and labelled as **Item SLR1**.

In Appendix D I now produce a photograph, which I have numbered 1 and annotated with a description.

8. Exhibit continuity

On the 30<sup>th</sup> September 2009 I handed items **SLR2-SLR9** from forensic case number **1515326** to exhibit officer Raelene BORG who booked them into the electronic exhibit tracking system. Item **SLR1** was retained in the exhibit bay for return to Maroubra.

On the 29<sup>th</sup> October 2009 items **SLR1-SLR11** from forensic case number **1515328** were booked into the electronic exhibit tracking system by myself and placed in exhibit storage.

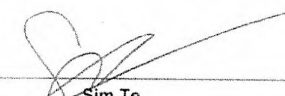

On 24th November 2009 items **SLR12-SLR13** from forensic case number **1515329** were booked into the electronic exhibit tracking system by myself and placed in exhibit storage.

On the 2<sup>nd</sup> June 2010 item **SLR1** from forensic case number **1564062** was booked into the electronic exhibit tracking system by myself and placed in exhibit storage.

9. During these examinations I took a number of photographs, and 38 of these are included in this statement in Appendices A to D. The remaining photographs are retained in forensic case file 1515326 and are available if required.

10. I hereby give notice under the Criminal Procedure Act 1986; the proposed photographic fingerprint exhibits which have been indicated in this statement may be inspected at Fingerprint Operations, Police Headquarters, [REDACTED] at a mutually agreeable time.
