STATEMENT OF A WITNESS

In the matter of: Robbery with wounding
Place: Surry Hills Police Station
Date: 11 October 2009

Name: Hayley [REDACTED]

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I will be liable to prosecution if I have wilfully stated in it anything that I know to be false, or do not believe to be true.
2. I am 22 years of age.
3. On the morning of Sunday the 11th of October 2009 I was at home in Kensington watching a movie with my boyfriend Michael [REDACTED]. We were watching Criminal Minds. While we were watching TV I received a facebook message from my friend [REDACTED] 1359, he said he was nearby and he asked me if I was available to catch up. I refer to [REDACTED] 1359 as [REDACTED]. I saw that message was sent to me at 12.20am but I didn't see the message until 1.40am. I sent [REDACTED] 1359 a facebook message with my phone number, saying I was home.
4. [REDACTED] 1359 called my mobile phone at 2.13am. I know that it was 2.13am because I saw it was that time on my phone records that are kept in my mobile phone. I only have one mobile phone and my number is [REDACTED]. When I received this phone call from [REDACTED] 1359, I saw the mobile number [REDACTED] come up on the display. I previously didn't have [REDACTED] 1359's phone number.
5. [REDACTED] 1359 told me that he was just around the corner from my house; I said I would get dressed and call him back. I ended the phone call, got dressed, and about 2 or 3 minutes later I called [REDACTED] 1359 back. I asked [REDACTED] 1359 where he was, and he told me that he was half way to Fox Studios.

Statement of Hayley [REDACTED]
In the matter of Robbery with wounding

Initially I began walking towards Anzac Parade, Kensington towards Moore Park but when I realised he was further than I thought I walked back to my house and I was just pacing out the front of my house because my boyfriend was asleep.

6. [1359] told me he was going to walk home, he wouldn't stay the night at our house, so I figured I would talk to him while he walking back to his house. The conversation was just general conversation. As we were talking he was updating me on what area he was in and on what street he was walking on. At one point in the conversation he told me he felt uncomfortable and he made reference to the murder in the area that occurred recently.
7. Throughout this conversation [1359] told me was walking up Anzac Parade, and then on Moore Park Road towards the Equestrian Centre. The Equestrian Centre was the last location he gave me.
8. [1359] came across as sounding tipsy, he was talking more than normal, when I say 'normal' I mean when he is sober. I could understand what he was saying, he was clear in his words. I hadn't been drinking alcohol that morning or the night before.
9. As [1359] and I were chatting. I heard multiple voices which weren't [1359]'s in the background. They were male voices. I couldn't tell if the voices had an accent or not, but they were definitely male. There wouldn't have been more than four voices; there were definitely at least two voices apart from [1359]'s that I heard.
10. I couldn't hear what was being said; I couldn't hear what [1359] was saying or what the other males were saying. The voices were definitely raised, initially I thought the voices sounded like they were having fun and joking around. I think [1359]'s voice went up in pitch but I couldn't understand what he was saying. It was this stage I was became very worried and started thinking that something serious was going on. I heard [1359] screaming and within a second after [1359] screamed the phone went dead.
11. I called [1359]'s phone, the first few times I phoned [1359]'s phone, I got a pre-recorded message that said there was no coverage in the area. After that, I got through two or three times in a row, someone picked up and I could hear breathing but no one was saying anything.
