<b>In the matter of:</b>	Actual Bodily Harm - Lang Road, Centennial Park
<b>Place:</b>	Waverley Police Station
<b>Date:</b>	14 December 2009

<b>Name:</b>	I360

**STATES:**

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I will be liable to prosecution if I have wilfully stated in it anything that I know to be false, or do not believe to be true.
2. I am 30 years of age.
3. On Saturday the 17th of October 2009 I attended Waverley Police Station at the request of Plain Clothes Constable JONES to view a computer slide presentation with number 23300 which included twenty persons in relation to an incident whereby I was assaulted on Lang Road, Centennial Park on Friday the 16<sup>th</sup> of October 2009.
4. When I arrived I was introduced to Sergeant BASSETT who commenced the presentation at 3.45am on Saturday the 17<sup>th</sup> of October 2009. Sergeant BASSETT showed me twenty photographs of male faces with each individual photograph displaying a number. Out of the twenty photographs I was shown I selected photograph number six (6). I signed and dated a document acknowledging that I had selected photograph number six (6).
5. I believe that the male depicted in this photograph is the male that I saw near the Fox Studio exit. This male was sitting on a brick fence and greeted me as I walked past him. I believe this to be the same male who tried to grab me and pull me away from the street light on Lang Road, Centennial Park as I was walking home. I am of this belief because he was of Black African appearance and wearing the same clothing when I had seen him earlier.
