Jane,

I always intended to pick up and run with these two M.P's again however I have just been informed I've got a transfer and so I won't be able to complete these enquiries prior to leaving. Crime Manager at Perth is D/Insp. Paul HAINES.

Thanks,  
 Paul LINARDS. D/S/C

Paul,  
 I can update the missing persons database so that Baumann is allocated to Eastern Suburbs. Is it possible for you to allocate Brook and Bennett to someone or should I go through the Crime Manager? If so could you please tell me who the crime manager is. Thanks.

Jane

Jane,

This missing person Peter BAUMANN went missing from Waverley. The only reason it is on the Penrith LAC list is that it was reported here. When we were doing the operation ( UTICA ) we were trying to get this one off our list and sent back over to Eastern Suburbs. Previously investigated by them on case.

Thanks, Paul LINARDS.

Paul,  
 I am currently reviewing the long term missing person file of Peter Baumann (C5602949, E909939200037). Your name was the only one on the event that I could find. The case is allocated to a Peter Griffin, but there is no Peter Griffin in your area. Can you please let me know who is in charge of this case if you know, or how I could find out. I was wanting to find out what was happening with this case, whether a brief has been prepared for the coroner yet. Thanks
