Hi Anna

My name is Darren Smith. I am a Detective Sergeant from the Eastern Suburbs Local Area Command in Sydney Australia. I have been reviewing the case of your brother Peter Baumann. I have a number of questions of you from when you came to Australia and made your own enquiries. To date, I am sorry to say that we are no closer in determining where Peter is. I am currently compiling all the documentation concerning Peter's disappearance and will be forwarding this to the State Coroner for his information.

*In one of your letters you wrote to Sharmalie you indicated that you had a friend in Melbourne who made some enquiries into Peter. Do you have this persons' contact details so I can discuss this matter with them?

* You also indicate in the letter that you received a letter/s from Sharmalie. Do you still have copies and can I get a copy of these letter/s?

From reviewing this investigation I see that you have made extensive enquiries of your own to try and locate your brother.

I am doing fresh enquiries with a number of agencies to ascertain if Peter has registered with them, for example, postal address, subscribed to any telecommunication carriers in Australia, receiving any government benefits etc.

I look forward to your reply will keep you informed if we obtain any new information as to the location of Peter.
