

## ISSUE

Operation Firenze request for outstanding material in relation to long term missing person Peter BAUMANN, E909939200037, Trim number D/2010/173773 relates.

## BACKGROUND

In October 2010 a request was sent to Eastern Suburbs LAC requesting items be returned to the Missing Persons Unit to aid in the identification of the above missing person.

## COMMENT

To date there has been no response received at the Missing Persons Unit. The outstanding items for this case include;

- Nuclear DNA sample
- DVI form (Interpol AM Yellow Form)
- Missing Person Identification form
- Medical records and x-rays
- Dental records and x-rays
- Copy of Brief

The State Coroner has requested that the DVI form be completed for all long term missing persons for the purpose of entering in to Plassdata, to assist in the identification of unidentified bodies. A blank DVI form can be printed from the Missing Persons Unit Intranet Site.

## RECOMMENDATION

That this file be forwarded to Eastern Suburbs LAC for the completion of the outstanding Operation Firenze request.
