Product Type: TEXT DOCUMENTS:Investigators Note

Date of Note: 19 Aug 2002

Brief Description: Attached to this product is Annexure 1 of the statement of Detective Sergeant PAGE.

The annexure is a copy of the report by Det BROWN requesting the WARREN death be investigated.

ISSUE:

Ross Bradley Warren - reported missing 22 July, 1989. Correspondence from mother, Mrs Kay Warren, requesting updated information as to progress of enquiries.

BACKGROUND:

Attached papers, event E904460005414 and new case C18145901.

COMMENT:

This is an historic missing person enquiry which was investigated by the old Homicide Unit at the Region Crime Squad South. I have received other correspondence from Mrs Warren and the matter is being investigated by Rose Bay Detectives. I have newly created case C18145901 to cover this investigation and the investigating officer will be allocated the case. Detective Sergeant Page has previously allocated an investigator to prepare the brief and this file should form part of the papers of the enquiry.

RECOMMENDATION:

That this file be forwarded to Detective Sergeant Page at Paddington for inclusion in the investigation papers.
