STATEMENT OF A WITNESS

In the matter of: Disappearance of Ross WARREN

Place: [REDACTED] Bondi Junction

Date: 10th August 2017

Name: Paul SAUCIS

STATES:

1. This statement made by me accurately sets out the evidence that I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I will be liable to prosecution if I have wilfully stated in it anything that I know to be false, or do not believe to be true.
2. I am 55 years of age.
3. On the 25th September 2000 I provided a 5 page statement to Police in relation to the disappearance of Ross WARREN. This statement was the first time I had provided Police with a statement. I have read this statement and agree that it is true and accurate.
4. I would like to add that following the disappearance of Ross, Craig and I went to Mark's Park at the request of the Police, as the Police asked us to be there that day. All I can remember is that Craig went down to look around the rocks while I waited for the police at the top of Marks Park.
5. I remember at some point Craig called up to me that he found a set of keys which he thought were Ross's keys. The police hadn't arrived at that stage so I went to a house directly across the road from Marks Park and phoned the police. I cannot remember who the person was that I spoke to.
6. I have been trying to remember, but I cannot confirm if I saw Craig holding the keys when I went back to the park after phoning the police or later on when the police arrived, but I do remember seeing the keys.
