Brief Description

On 9/11/16 DSC TIERNEY spoke with D/Sgt Stephen HORN about his search for the John RUSSELL post mortem photographs. He advised State Archives had provided all crime scene negatives relating to John RUSSELL's death to DSC OLDFIELD earlier in 2016 and there are no other negatives/photographs in existence. There is no mention of post mortem photographs in the documents relating to the 1990 inquest of John RUSSELL's death.

It's likely due to the police opinion at the time that RUSSELL had accidentally fallen to his death there were no photographs taken at the post mortem as it was not deemed to be suspicious.
