In 2018 and 2019 **NP215** was spoken to in relation to SF Skarratt, 199? Murder of (OIC, DSC Melanie STAPLES), no information as to why he was interviewed.

The review stated that **NP215** returned home after not being able to contact BRENNAN and he saw dirt on the walls, went into the bedroom where he saw a substantial amount of blood, turned around and saw body in living room on floor – this is a tiny 1 bedroom apartment. It stated that he attended Kings Cross police who attend and immediately saw the body on the floor when they opened the door, how did he not!
