1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in Court as a witness.
2. The statement is true to the best of my knowledge and belief and I made it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.
- 3 I am 20 years of age.
4. On Tuesday, 25 February, 1992, I made a statement to the Police at Taree Police Station. The statement was given to Detective Sergeant BROWN. That statement is still true and correct.
5. In addition to that statement I want to add that when I first saw man laying in the house, it would have been about 1.30am on the Saturday morning.
6. On the night before, the Friday night, when I first saw Beather with the bloke they were in Botany Road coming back towards Eveleigh Street from the bottle shop that is across the road from the T.A.B. When I saw the bloke he had blood on his shirt on the left shoulder. The time is still the same as I said before. After I got the one dollar from the bloke, Beather and him turned left into Lawson Street and I didn't see them after that. I then went to the Seven-

Eleven store and got a packet of Kimbies and a bottle of drink and some fried rice from the Chinese shop. After that I went back to Eveleigh street.

7. When I got to Eveleigh Street it would have been about 9.30pm to 10.00pm and on the corner of Caroline and Eveleigh Streets I saw Beather and the white bloke sitting and drinking with alot of other people. That's also when I saw Richard GREEN and Kirk PHILLIPS walking up towards Caroline Street in Eveleigh Street from Holden Street. What I said in the statement earlier at Taree, that I didn't see Beather or the bloke was incorrect. It should have been changed but it wasn't. After that I went to my uncles house at [REDACTED] Eveleigh Street and stayed there.
8. The rest of the statement doesn't change. It is still correct.
