STATEMENT in matter of: Assault. Place: Redfern Police Station

Unknown Male.

Date: 11 January, 1992.

Name: [REDACTED] 1308

Address: [REDACTED]

Occupation: Unemployed.

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in Court as a witness. The statement is true to the best of my knowledge and belief and I made it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. I am 15 old.

3. It was early in the morning about 2am today I was in the 'Factory' watching T.V. and with [REDACTED] 1309 went out into Holden Street. We were just going to walk around and see what was happening on the street. We both walked up towards Eveleigh Street and I heard loud snoring from an empty green house, number 6 Holden Street, I think it was numbered. We was walking towards it and looked in a hole into that house. I saw some pants down around a blokes legs. I went inside through onto a ledge thing there and [REDACTED] 1309 was waiting outside. I looked at this man and he had his pants down and was lying on his back. I thought he may be one of the boys, sleeping something off. He was bleeding out his nose and his face was covered in blood. STATEMENT (continued) in matter of: Assault - Unknown Male

Name: 1308
(Surname in capitals)

4. I didn't want to wait along too long, it was sickening. He was in the right section of the house as you look in from Holden Street. He looked well built, looked pretty tall, it freaked me out. I went to get out of there and saw Kirt PHILLIPS and Richard who was here with me just now, and Max was standing there but I don't know his last name. I stood around watching everything and that from Glendas in Eveleigh Street just a couple down from the Hickeys. I have been told that is number [redacted].

5. I didn't go down after that. I watched it all from there. I haven't seen this man before who I found injured. Anyway he was pretty sickening and hard to see, I didn't want to hang around. I know nothing about it other than what I just told you.
