five in the morning (5.00am) till six at night
(6.00pm).

6. After seeing a photo presented to me by the Police at Redfern Police Station earlier today, I recognised the individual as being a regular customer at the Subway Hotel. I don't know his name.
7. As far as seeing him early on Saturday morning, the 11 January 1992, I'm not sure but there is a very good chance that he could have been there. He was a regular Saturday morning drinker. He would drink early in the morning to mid afternoon.
8. On that particular day, on Saturday 11 January 1992, I did have a bandage on my right arm, because of an accident in which I was burnt while competing in the Sydney to Hobart Yacht race.
9. I was shown a second photograph with four people in it. The man who was on the far left of the photo which was pointed out to me, I did not recognise.
