

Case 51 - Basic Overview of MALCOLM

File Number: 100
Product Type: TEXT DOCUMENTS:Investigators Note
Date of Note: 4 Jan 2016
Brief Description: Murder of Robert MALCOLM (DOB: 13/03/1950) at Redfern on 11 January 1992.

Both HOOKEY and PHILLIPS and MALCOLM were consuming alcohol at a local hotel. HOOKEY and PHILLIPS saw MALCOLM had a large amount of cash. HOOKEY was seen walking with MALCOLM on Everleigh Street Redfern . MALCOLM was discovered a short time later in a battered unconscious state in a derelict house. MALCOLM later died in hospital. Post mortem examination indicated that MALCOLM was struck about the face with a heavy weapon

In the information provided, there is no suggestion that HOOKEY and PHILLIPS were homosexual.

Anthony HOOKEY (DOB: [REDACTED]/1971) and Kirk PHILLIPS (DOB: [REDACTED]/1960) were charged with the murder of MALCOLM.

POLICE PROTECTED

Victim: Malcolm, ROBERT HART
 OFF. 1 - HOOKEY, ANTHONY STANLEY
 OFF. 2 - PHILLIPS, KIRK ANTHONY

X. NARRATIVE SUMMARY

263 Give a brief summary of this case so the reader will have a general overview of the most unusual characteristics, and of the sequence of events. Also, include any details you feel are important, but have not been previously addressed. Details of investigations need not be provided. Attach paper with additional details if required. DO NOT INCLUDE KEYFACT EVIDENCE IN THE NARRATIVE SUMMARY

Both off ① Anthony HOOKEY, off ② Kirk Phillips + victim Robert MALCOLM were consuming alcohol at a local hotel. The offenders saw that the victim had a large amount of cash. The offenders ^{offender ① was} were seen to walk in Eveleigh St with the victim, the victim was discovered a short time later in a battered, unconscious state in a derelict house lying on his side with a stick between his back + the wall, the victims pants + underpants were around his ankles.

The victim later died in hospital.

The offenders were arrested due to circumstantial evidence ie! Hookey was later seen with a large amount of cash + Phillips 'bragged' about committing the assault.

Post mortem examination believed that the victim was struck about the face with a heavy weapon whilst lying on the ground.

NOTE: Ensure all KEY FACT EVIDENCE is highlighted throughout the form and select appropriate boxes on following page
