Case number  
Inquest into the death of **Robert MALCOLM**

Dear Ms Lockery,

I refer to your correspondence of 08 June 2023 regarding the transcripts or sound recordings made for the above matter in 1992.

A search of the Coronial Archive records did not show that a copy of the transcripts had been received or placed with the relevant Coronial or Committal files. From the committal records to hand (the 1992 Court Lists), the cassette tape library relevant to the committal hearings (number W2313) was identified. Reporting Services Branch have advised the Coroners Court that, back in 1992, these tapes were only held for a period of five (5) years, then disposed of.

Searching through paper Archive Lists at Lidcombe Coroners Court, I have been unable to identify where any hardcopy of the transcripts of either Inquest or Committal matters from 1992 may have been received and stored, other than with the relevant files.

If you require any further information or I can be of any other assistance, please do not hesitate to contact this office.

Yours faithfully,

**E. Harrington**
