2. I am 37 years of age.

3. I am **NP128** natural mother I am residing at [REDACTED] **KEMPSEY** at the present time and hope to find work in the area to enable me to stay here.

4. I previously lived at [REDACTED] **MOREE**. I lived there for about six months. I arrived in Moree in the first week of December 1993. I moved there from Kempsey. Before moving to Kempsey I resided at [REDACTED] **WOOLLOOMOOLOO**, with my children **NP128** and **I338**. Prior to that I resided at [REDACTED] **WOOLLOOMOOLOO**, with **NP128** and **I338**. I left that area about four years ago.

5. While I was at Moree I was working on the cotton fields, from December through to March. It was only a couple of weeks after I started that **NP128** arrived. I remember that because it was before **NP128** birthday and Christmas. My sister **I324** has

a diary and she also has it written in what date NP128 arrived at Moree.

6. I recall that NP128 arrived on the train from Sydney about 7pm in the evening. I remember that because NP128 had caught a taxi to my sister I324's house and she drove NP128 around to where I was at [REDACTED] MOREE. The last time I had seen NP128 was about the first week in November 1993. We had NP128 20th birthday at [REDACTED] MOREE and we also celebrated Christmas at [REDACTED]. The only reason I went to Moree was because one of my friends fathers was very ill.

7. NP128 and I both left Moree together about five weeks ago. We travelled across with I339 in a car. While at Moree NP128 was working with me for I325, the contractor of the cotton field. NP128 worked there for about two weeks.
