who is about 20 and [redacted] who is about 19 and also from the Philippines. They were there each time I stayed over. At this time I was living with my mum and dad at [redacted] Leichhardt.

7. At some time in mid December I moved to [redacted] Leichhardt. I moved there with my sister, I332. My brother and his girlfriend [redacted] also live in the building in unit [redacted]. After I had been there for about 1 week, NP221 moved into the unit for about 4 weeks. There was NP221, myself and I332 living there for that time. NP221 did not have a key to the unit so I332 or myself were there when NP221 was home.

8. I cannot recall my movements on the dates of the 22 or 23 of December 1993 but I believe that I was working either on day shift or night shift. I do not know NP221 movements on those evenings.

9. While NP221 stayed at my place, he used to go out occasionally. He used to go to a place called C.C.'s in George Street next to the R.S.L. in the City. I don't know whether he went out on his own or with friends. He would some times go out after work thats all. He did not have any friends come around to the unit to see him while he was staying there.

10. I don't know any of NP221's friends. I know his girlfriend NP222. I used to work with NP222 at McDonalds. I don't hang around with NP221 any more. I haven't really since he got his new flat about 6 weeks ago.
