Dear Jacqueline

I have attempted to recall the files of 02/12/2002, however have been advised that due to an error, all of Blacktown Local Court files for the year of 2002 were destroyed at the Government Repository. As a result, I am unable to provide the documents detailed in the summons.

Kind Regards

Dear Michiko,

Thank you for your email. Another date we have for the matter is 2 December 2002. The matter is complicated by the fact that the defendant died on 22 October 2002. I understand, however, that the matter should have been at least filed or mentioned in Blacktown Local Court before then as the offence was committed on 10 February 2022 and the offender was arrested on 12 February 2002.

Please let me know how you go and if you need any further information.

Thank you very much for your assistance to the Inquiry.

Kind regards
 Jacqueline

Dear Jacqueline

I have attempted to locate the case referred to in the summons, however I have been unsuccessful.

Please also note that files are stored under the date they were finalised. You have provided me the date the matter was first mentioned. Are you able to advise what the date the matter was finalised?

I have tried to locate that information, however the Hnumber you have provided does not come up on our system. I have also tried a name and date of birth search, but have not been able to locate any matters originating in 2002.

Kind Regards
