Hi Kim,

**Re: M/C 89/298, FCN 131959**

Please be advised that the above folder has now been reviewed - results as follows:-

Note: When I retrieved the folder the notation of the running sheet within the folder indicated that the William ALLEN, CNI [REDACTED] was fully eliminated to the above job. However, there were no fingerprint determinations/results recorded as to which fingerprints were identified. As a result I re-compared the victim against the above job.

**Results: FCN 131959**

Offence: Murder  
 Victim: William ALLEN  
 Date of Offence: 29/12/1988  
 Examination Details: [REDACTED] Newtown St, Alexandria  
 Date Examined: 29/12/1988  
 Fingerprint Officer: Retired Sgt N Popov.

**ELIMINATION IDENTIFIED:**

- Name: William ALLEN  
 - DOB: 14/08/1940  
 - CNI: [REDACTED]

**Fingerprint Graph Identified:**

W3 - Right middle finger on side of 1 x green glass wine carafe

W2 - Inconclusive with left index finger on another green glass wine carafe.

Other Graphs:

W1 - Insufficient clear detail present to form a determination - possible right middle finger only,

W4 - On side of glass coffee jar in kitchen - Searched on NAFIS and not identified.

Job Complete.

If you require any further information please contact this office.
