- c) our letter of 16 June 2023 requesting an extension to comply with the Summons and noting material was being sought from the Government Records Repository;
- d) our letter of 20 June 2023 producing 290 documents in response to the Summons and your letter of 15 June 2023; and
- e) your letter of 27 June 2023 noting that the 290 documents produced are not responsive to categories (3) and (4) of the Summons (**Letter**).

A copy of the Summons, Letter and other correspondence described above are **enclosed**.

Your Letter notes that the 290 documents produced on 20 June 2023 are not responsive to categories (3) and (4) of the Summons and instead, appear to be responsive to summons NSWPF1. Your letter requests production of documents that are responsive to categories (3) and (4) of the Summons.

We are instructed that the author of the Allen Triage Document, Detective Senior Constable Kim Fidden, is not aware of the location of the documents referred to in categories (3) and (4) of the Summons. We are instructed that DSC Fidden has conducted searches of her individual records, e@gle.i holdings, WebCOPS data, PreCOPS data and KODA, however no documents responsive to categories (3) and (4) of the Summons were identified. We are instructed that there are no further document repositories available to be searched to locate the documents requested in categories (3) and (4) of the Summons.

Yours sincerely
